

# If you and your furry pup enjoy the park, please help support it with a \$25 annual membership!

**Become a member, receive a decal & help keep the Thomaston Dog Park open!**

*Thomaston Dog Park first opened October 2015! And now it is up to everyone who enjoys the park to get involved, and maintain it as a wonderful resource for our dogs and their 2-legged buddies! No town or taxpayer funding is available.*

The town of Thomaston voted in early 2015 to deed a wonderful parcel of land for use as a off-leash dog park. A small group of volunteers joined together, and along with the support of an enthusiastic community, raised enough money to establish a 501c3, clear the grounds, install a fence and begin work on the parking area. Going forward we need to raise funds for an annual maintenance budget of \$5,000-\$7,000, along with upgrading the parking area and other future goals.

**We need your help!**  
Additional donations very much appreciated.

**Please detach and mail form: PO Box 342, Thomaston, ME 04861**
